Year Group	Theme	Physical	Social	Emotional	Intellectual	Spiritual
Year 6	<p>The wonder of God’s love in creating new life</p> <p><i>Learning objective:</i> Children develop in an appropriate way for their age, an understanding of sexuality and grow further in their appreciation of their dignity and worth as children of God.</p> <p><i>Key words:</i> Appropriate, dignity, sexuality, intercourse, conceive, relationship, uterus, fallopian tubes, marriage</p>	<p>Explain how human life is conceived.</p> <p>Look at the illustrations of the organs of the human body including male and female reproductive organs. Sexual intercourse between husband and wife is a joyful expression of their love for each other.</p> <p>It is an act of self-giving, made by two people who want to give everything of themselves to the person they love and respect.</p>	<p>Recognise and compile a list of the signs of love expressed in those around us Eg. Signs of love between those who care for us, loving couples, older people.</p> <p>Reflect on the different degrees of friendship that exist eg. School friends, close friends, best friends, mixed gender friends, lifelong friends.</p>	<p>Relationships develop and eventually, we may be able to use the word love.</p> <p>Real love reveals itself in complete commitment.</p> <p>If one is in love with another, certain characteristics follow.</p>		<p>Understand that God causes new life to begin through the love that parents have for each other.</p> <p>Celebrate God’s creative love in creating us as his children and recognise that we grow as human beings to the extent we give and receive love. The on-going understanding of marriage is living out love.</p> <p>As Christians we can appreciate the sheer wonder of the sexual act. God created the incredible natural process by which husband and wife bring new life into the world. The Church celebrates all this in the sacrament of Marriage.</p>
